

- Request to ratify Board’s proposal to have a virtual 2023 ABC. The ABC Binder Addendum will provide information prior to the ABC.
 - We do not have a host committee for 2023 so as a result the board determined a plan. The Board created a motion and request for you to ratify:

Motion: To conduct the 2023 Annual Business Conference, 2022/2023 Quarterly Business Meetings, and ACA World Convention entirely virtually. This motion will be considered final after it is presented to and ratified by the 2022 ABC. (Liz C.)

Background: It is strongly recommended by the ABC/AWC Committee to continue holding our annual meetings virtually next year. No host has been identified to date and it is well past time to start planning. Also, it would behoove us to focus on conducting the study regarding future annual meetings rather than planning an in-person event.

- Q: Should this go to worldwide online voting?
- Parliamentarian: If this went to online worldwide voting then the minority opinion would not be heard until the next ABC meeting which would be too late for this topic. Therefore the delegates present will have made this vote.
- This motion is passed by delegates present.
